

Position: Associate Landscape Designer

Terren Landscapes is expanding its creative team and seeking a talented Associate Landscape Designer. In this role, you'll collaborate closely with our experienced design team on a variety of high-end residential landscape projects, from initial concept to completion. You will contribute to creating detailed plan sets, visual aids, and engaging with clients throughout the design process. This position offers a unique opportunity to develop your skills in a dynamic, supportive environment.

As many of our employees have been with us 10-25 years, this is a rare and exciting opportunity to join a passionate and highly skilled team.

Key Responsibilities:

Assist in the development of landscape designs, including planting, drainage, low-voltage lighting, and masonry projects.

Produce plan sets and visual aids using AutoCAD and SketchUp.

Participate in client meetings, providing support and gathering feedback for design revisions.

Assist with project estimating, proposal writing, and job scheduling.

Conduct on-site layout plans as required, ensuring design integrity in the field.

Manage multiple tasks efficiently, adhering to timelines and project goals.

Position Requirements:

Graduated from or currently enrolled in an accredited landscape architecture program.

Strong passion for high-end residential landscape design and construction.

Proficiency in AutoCAD and SketchUp is essential; knowledge of Adobe Creative Suite and Microsoft Excel is desirable.

Experience preparing construction documents; proficiency in Lumion preferred.

Familiarity with local plant materials and sustainable landscaping practices.

Excellent multitasking, problem-solving, and organizational skills.

High level of self-motivation, with excellent interpersonal skills.

Strong verbal and written communication abilities.

Benefits:

Flexible work schedule to support work-life balance.

Paid Time Off

401K plan with employer match

Health insurance
