

## **Job Opening: Landscape Construction Supervisor**

**Updated: 03/03/25**

### **Company Overview:**

We are an industry leading residential landscape company with both a design & build team and a full-service maintenance division dedicated to creating and maintaining beautiful outdoor spaces. With a passion for high-end design, lasting craftsmanship, and customer satisfaction, we take pride in delivering exceptional landscape solutions. As we continue to grow and expand our operations, we are currently seeking a talented and experienced Landscape Construction Supervisor to join our team.

### **Position: Landscape Construction Supervisor**

#### **Job Description:**

As a Landscape Construction Supervisor, your attention to detail, strong analytical skills, and in-depth knowledge of landscape construction will ensure the seamless execution of our projects and success for our clients. You will play a vital role in our company's growth by:

- Collaborating with the design team and project management team
- Managing the build crews on your assigned projects
- Ensuring the work performed is on time, within scope and on budget
- Attaining positive feedback and reviews from clients.
- For jobs with other partners (outside designers, home builders) which we refer to as Business to Business (BtoB) – you will be responsible for managing Terren's scope of work but also ensuring relations and communications with the partners in the project are strong and productive.

#### **Responsibilities:**

- Analyze project requirements and specifications to provide an efficient job start-up
- Collaborate with the landscape design manager, , landscape architects/designers, and subcontractors to understand project scope and goals.
- Conduct multiple site visits to gather relevant information and identify potential challenges and/or opportunities in order to complete projects on time without sacrificing quality on any level
- Manage crews (labor required), equipment and all aspects of your projects.
- Provide your assigned crews with the materials and tools needed to perform the work.

- Research and recommend cost-saving measures, alternative materials, and construction methods without compromising quality.
- Provide ongoing support and collaborate with the project management team throughout the project lifecycle.
- Review completed projects to evaluate actual costs, identify areas for improvement.
- Complete and submit all daily paperwork tracking job time, materials, and job notes.

### **Requirements:**

- Proven experience as a Landscape Construction Supervisor or similar role.
- In-depth knowledge of residential landscape construction materials, building methods, and techniques
- Excellent mathematical and analytical skills with a keen attention to detail.
- Ability to read and interpret blueprints, details, specifications, and project documents.
- Exceptional communication skills.
- Strong organizational and time management abilities to handle multiple projects simultaneously.
- General plumbing, electrical and carpentry skills are a plus
- Low voltage lighting experience is also a plus.
- Team oriented work ethic is a must.

### **Benefits:**

- 401(k)
- 401(k) matching
- Flexible schedule
- Health insurance
- Paid time off

### **How to Apply:**

If you are passionate about creating breathtaking outdoor spaces and possess the skills and experience required for this role, we would love to hear from you. Please submit your resume, along with a cover letter detailing your relevant experience and why you believe you are the ideal candidate for this position.

To be considered, please mail your application to **hello@terrenlandscapes.com**. We thank all applicants for their interest, but only those selected for an interview or phone call will be contacted.

Note: The job description and responsibilities outlined above are intended to be representative but not necessarily exhaustive of the tasks performed by this position. The company reserves the right to revise or change job duties as needed.
